

## Sullivan Game Day Maintenance

### Pre-game – Home team responsible

1. If wet, review field to make sure it's playable
  - a. **Never push water from dirt onto grass**
  - b. Use a maximum of 3 bags of turface on field
  - c. Let Jay know when turface needs to be restocked
2. Get the following from shed
  - a. Chalk & string line
  - b. Batter box template
  - c. Bases & Cart
3. Remove tarps from pitcher's mound and home plate
  - a. Place sand bags and mound tarp in batting cage
  - b. Put home plate tarp in cart and leave behind 3<sup>rd</sup> base dugout
4. Rake any low spots around home and the infield
5. String base lines and batter's boxes and chalk them

### Post-game – Both teams are responsible

1. Rake the entire infield
  - a. **Do not rake turface & dirt towards the grass**
  - b. **Do not let kids rake infield**
2. Get tarps out and place on home plate & mound
  - a. Sand bags on mound only
3. Remove bases and place in cart. Put plugs in base anchors
4. Pickup dugouts & dump dugout trash cans into cans outside field
5. Chain and lock both doors to the field, turn off lights, and lock shed

## Sullivan Weekend Maintenance

1. Have your team players & parents assist you at the fields you are assigned to maintain
  - a. Perform maintenance Saturday or Sunday on the weekend you are scheduled
2. Retrieve extra rakes, brooms and buckets from the Shed
3. Perform the following tasks:
  - a. Rake and weed, the entire warning track around the field
  - b. Rake and weed batting cages – fill in holes at home & pitcher's rubber
  - c. Weed the infield where necessary
  - d. Sweep the dugouts and bleachers
  - e. Pick up any trash on the field or by the bleachers
  - f. Empty dugout trash cans into cans outside field
4. Return extra rakes, brooms and buckets to the Shed
